County Commission Holds Budget Down

Approval of a tentative budget of \$2,783,298 for the coming fiscal year—a budget that sees a decrease in tax millage but an increase in expenditures—was voted by the County Commission at its meeting Monday.

Final action on the budget which calls for a 11.66 mill levy, has been set for July 23. The tax levy for the past year was 11.69 mills.

County Commissioner John Prince explained that it was possible to increase expenditures during the coming year and at the same time reduce the tax millage because of an increase in the assessed valuation of property throughout the county. Prince said that property improvements in the past year were responsible for the boost in valuation.

Full amount of the county's operating budget will not be raised by taxation as the revenue from taxes will be augmented by a cash carry-over from the present budget and from revenues received from such sources as state gasoline taxes and state racing taxes. Most of the budget increases, according to R. B. McKee, assistant county auditor, were appropriated to take care of the increased cost of living and raising commodity prices.

Provided in the tentative budget is more than a quarter million dollars which is marked for a county building fund. This money is raised from a one-mill tax levy. McKee said that in past years, this levy of one mill had been channel-

ed into a jail construction fund and since that project is now completed, the money from this source will be used for other building purposes.

Capital improvements planned from this fund include construction of a dormitory at the county children's home; construction of a new county barn on Congress Ave., construction of a storage warehouse for voting machines and remodeling of the courthouse.

The new budget also provides for increased expenditures for the county mosquito control unit, funds which are marked for sandily and fly control.

Also upped this year is the county's fund for park improvement which was set at \$149,671 as compared to \$122,566 a year ago.

Possible reactivation of International Airport was reflected in the budget for the coming year with some \$73,000 being lopped off the fund. The airport funds this year provide for construction of a new airline terminal on the south side of the field. The county still operates airports in the Glades and at Lantana.

The tax roll is based on the total assessed valuation this year of \$204,593,131—an increase of \$13,152,860 over the last year. Of the assessed valuation, a total of \$56,849,170 is removed from operating tax assessments as homestead exemptions.

Budget totals in the tentative appropriations include:

	Last Year	This Year
General Fund:	\$ 798,293	\$ 863,645
General Road and Bridge Fund	484,500	522,500
Fine and Forfeiture	175,793	182,500
Children's Home Fund	75,145	72,677
County Home and Hospital Fund	137,570	161,305
Agricultural Encouragement Fund	31,419	34,142
County Airports Fund	195,488	112,124
Anti-Mosquito District Fund	67,559	81,628
County Park Fund	122,566	149,671
County Building Fund		263,576
Methers Aid Fund	5,985	5,225
County Law Library Fund	7,125	6,650
Jail Building Fund	300,000	10,000
Fee Officials' Excess Fee Fund	89,775	102,000
Outstanding Indebtedness Fund	735	
Ocean Boulevard Fund	62,672	54,209
Special Road and Bridge District No. 8 Fund	5,642	5,782
Special Road and Bridge District No. 11 Fund	119,690	124,857
Special Road and Bridge District No. 20 Fund	11,296	19,472

TOTAL BUDGET: \$2,773,298

RARDIN PLEASSED WITH SLIGHT BUDGET DECREASE

"I am delighted that there is a slight decrease in our tax millage for the coming year. This, I am sure, is due to the fact that members of this board worked diligently in an effort to pare expenses wherever possible and still render the many services expected by Palm Beach County taxpayers. I also want to express publicly my sincere thanks of this board to all department heads who have had a hand in holding down the millage. The 3-100 of a mill decrease, while slight, is a reflection of the attitude of all members of this board and we are pleased to present to county taxpayers a budget which, I believe, will meet their approval.

RICHARDSON BACK ON JOB AT HOSPITAL

T. C. Richardson, superintendent at the Everglades Memorial Hospital, assumed his duties at the hospital Monday following several weeks illness. M. P. Holman, who substituted for Richardson during his illness was retained for two weeks longer by the Hospital Board. Mr. and Mrs. Richardson recently returned from several weeks visit with relatives and friends in New Orleans and Alabama.

All members of the board have worked wholeheartedly and cooperatively in preparing this budget and I'd like to extend to each of them my personal thanks for a job well done."

Lions Or Rotarians — You Pick 'Em

Changes Made In Juvenile Court Law

The County Commission's budget session this week was thrown momentarily into slight confusion when County Judge Richard P. Robbins at the last minute walked into the room and tossed out a legislative act which provides for establishment of a county juvenile court.

The bill provides that all county juvenile cases be handled in the new court with the exception of capital crimes. Cases now handled in county criminal court and in various municipal courts throughout the county will be channeled into the new juvenile court which Judge Robbins heads.

The bill also provides substantial salary increases for Judge Robbins and Mrs. Nelle Smith, county probation officer who will be known as a counselor in the new set-up.

The commission, previous to Monday's meeting, had spent several weeks in drafting a budget or the coming year, and apparently had not heard from Judge Robbins during the preliminary sessions.

Just before they were to take action on the tentative budget Monday, Judge Robbins came into the meeting and read portions of the new law to the commission members. The board hastily made some calculations, and added another \$10,000 to take care of the new juvenile set up.

The juvenile court law is reportedly a measure which has been pushed by the county juvenile judges for the past year. The measure will completely revamp the set-up now available in the county for handling juvenile cases.

Mr. and Mrs. Sam Lovell of Vero Beach were the house guests this week of his parents, Mr. and Mrs. Dave Lovell and family. Sam, who was agriculture instructor in one of the Miami schools last year, has accepted a position in the Vero Beach High School. Mrs. Lovell will teach in the elementary school there.

Canal Point Lions See Moving Picture

Members of the Canal Point Lions Club enjoyed a motion picture depicting the erection of the United Nations building at Lake Success, N. Y., at the weekly dinner meeting Monday evening at the Community Park Building. Clyde A. Canipe, principal of the Pahokee High School, showed the picture. He was introduced by Alton Jones, the new program chairman. At a directors meeting following the dinner meeting members voted to change the time of meeting from 7 to 7:30 p. m. Floyd Erickson, the newly installed president, presided at both meetings.

City Purchases Murphy Property

At a city council meeting Monday evening members closed the transaction for the purchase of the E. O. Murphy property adjoining the city hall grounds. The lot which is 29 x 180 feet was purchased at a cost of \$1,600. According to City Clerk Clyde W. Alley the building on the lot will be torn down and some of the lumber used to repair the caretaker's house at the City cemetery in Port Mayaca. The lot will then be cleared and landscaped.

It was announced that a new caretaker for the city cemetery has been appointed, R. L. Guthrie, who replaces J. F. Graydon.

An ordinance changing the requirements for electrical wiring within the city limits was passed. The ordinance sets up new regulations governing the use of conduit and electrical services in buildings.

Mr. and Mrs. Homer Barnes and daughter Stella Sue and Mrs. Barnes' mother, Mrs. Pearl Agner who have been visiting relatives in Indianapolis, Ind., for the past two weeks are expected to return to their homes in Pahokee over the weekend.

319 Cattle Sold At Glades Livestock Market Monday

There were 319 cattle sold at the Glades Livestock Market Monday at the weekly cattle sale for a return of \$48,556.43.

Stocker calves topped the market bringing as high as \$37.00 per 100 weight. Stocker cattle are strong in demand as cattlemen are expanding their ranches during the summer months.

According to George C. Young, manager of the market, prices on stocker cattle are expected to continue steady throughout the summer.

Buyers and producers expected the heavy rains in this section to reduce the supply of cattle offered at the sale. But despite the fact that water gauges showed a rainfall of 13 inches during the week at some places, cattlemen were able to provide an adequate number of animals for an excellent sale. When the mucklands become water soaked it is difficult to get the cattle from the pastures.

Slaughter cattle stayed within ceiling prices with slaughter steers and heifers bringing \$29.00 to \$31.50 for common grades. Utility grades sold for \$28.75 to \$29.00; cutter grades \$24.25 to \$28.50 and canner, \$18.25 to \$23.00.

Prices of slaughter calves remained strong with common grade bringing \$30 to \$36.00. Utility grade sold for \$29.00 to \$30.50, and culls for \$25.00.

Slaughter cows, utility grades, brought \$24.50 to \$26.00; and cutter and canner grades \$19.50 to \$28.00. Bulls, common grade, sold for \$31.25 and canner and cutter quality, \$23 to \$26.25.

Stocker steers, medium grade, sold from \$27.50 to \$32.00. Common grade brought \$26.75 to \$31.25 and inferior \$22.75 to \$29.25.

The demand for stocker heifers was strong with common grade bringing \$28.50 to \$30.25, and inferior, \$23 to \$28.50.

Stocker calves are still on the up and up with prices soaring as high as \$37.00 per 100 weight. Medium grade of calves brought \$29 to \$35.00; common, \$28.00 to \$30.50; and inferior, \$21 to \$22.25.

Stocker cows, common grade, sold for \$24 to \$25.75 and inferior grade, \$21.00 to \$29.00. Bulls, common, brought \$26.25 to \$28.50 and inferior, \$23.50 to \$26.00.

Charles McCurdy To Head Baptist Youth

Charles McCurdy was elected president of the Baptist Youth choir at a meeting of the choir following the evening service Sunday. Charles will fill the vacancy left by his brother, Willard McCurdy, who has enrolled as a student at the University of Florida in Gainesville. Sidney Caruthers was elected vice president. Other officers recently elected are: Edna Unwin, secretary-treasurer; Danny Mullis, librarian and Don Avery, assistant librarian.

Sydney Smith, III, small son of Mr. and Mrs. Sydney K. Smith, Jr., Belle Glade, is the house guest of his grandparents, Mr. and Mrs. John A. Dulany this week.

News Notes From State Capital

TALLAHASSEE — A record summer travel in Florida was predicted here by John D. Montgomery, vice chairman of the State Advertising Commission. Part of this expanded business, he said, is due to Florida's hard-hitting advertising campaign, aimed at out-of-state centers of population whose people now are starting south in numbers which have brought receipts 25 per cent above last year. The commission meets in Miami July 13 to consider final phases of its 1951-52 recreational, agricultural and industrial advertising schedules.

TALLAHASSEE — Attorney General Richard W. Ervin this week gave his official opinion on the following general subjects:

TEACHERS—School boards cannot pay lump sums to teachers, but must spread proposed increase over succeeding 12 months.

ATTRACTIONS—State highway patrolmen may regulate traffic in and out of drive-in theatres, motor courts, public attractions, etc.

JUVENILES—Juvenile court may enter an order to protect a child in danger, even though circuit court already has jurisdiction.

FEEES—Money collected by the industrial commission from the inspection of elevators and employment agencies may be used for expenses.

PRECINCTS—It is not mandatory that county commissions make county election precinct boundaries match those of city precincts.

PRINTING—Tax assessor legally may order printed matter from county commissioner who runs a newspaper.

ALIEN—An alien may not become a notary public in Florida.

ESTATE—Property owned by husband and wife need not be administered where one has died.

FUNDS—Most income of the state universities is to be placed in the state treasury, and not deposited in private bank accounts.

FIRE—County school board may insure property in mutual insurance company against loss by fire.

LIEUTENANTS—Legislature intended to create ranks of lieutenant for automobile drivers assigned to governor and state road department chairman.

TALLAHASSEE—Owners of duplex apartments may not claim each apartment as a homestead and, thus exempt from taxes. The Florida Supreme Court ruled that where two families own a duplex apartment, each may get only one half of the \$5,000 tax exemption allowance.

Inner-Tone Medicine Real Relief For Stomach Sufferers

One man recently took INNER-TONE three days and said afterwards that he never would believe that INNER-TONE could help so much. He said that years of aches and pains and that tired worn out feeling are gone, is free of gas and stomach distress. At present he is an altogether different man, feeling fine in every way. INNER-TONE is the new mixture of juices from Nature's Herbs combined with blood building IRON and nerve strengthening VITAMINS B-1, B-2, and B-6. It has relieved many people who had never been really helped before by any medicine. Taken shortly before meals it mixes with your food and aids digestion, thus eliminating gas bloating. Don't go on suffering, get INNER-TONE at Carter-Geiger drug store.

lowed to homesteads. In another opinion, the court told the people of Miami to be patient and bear up under the inconveniences suffered from the Florida East Coast railroad crossings in downtown Miami until the railroad trustees get authority to construct a new station.

TALLAHASSEE — Jerry W. Carter, Democratic national committeeman, issued a strong request to Democrats to let Congress know they want price controls put into law. "There is a very real danger," he said here, "that the Democrats in Congress do not know what the people want in the way of controls. If the people remain silent while those who profit from inflation and human misery get in their best innings, Congress may well be so confused that its members will fail to represent the wishes of the people. . . I call on the Democrats of Florida to let their members of the national house of representatives know how they feel about inflation, and urge them to support a strong and vigorous price control bill."

TALLAHASSEE—The doctrine of state's rights was invoked by Governor Fuller Warren in returning a subpoena to the United States senate crime committee. It was issued to call him to Washington on July 9. He advised the senate committee that because of his position as governor of Florida, he would not be present to testify before them on July 9 nor at any other date during his term as governor.

TALLAHASSEE—Plans for two new dormitories for Florida State Hospital will be drawn under a \$25,000 release from the cabinet. The legislature authorized \$900,000 for the dormitories, for negro men and negro women.

Catfish Seining To Be Permitted On Lake Okeechobee

TALLAHASSEE — Supervised catfish seining will be permitted starting July 9 on Lake Okeechobee, Lake George, Crescent Lake, and the St. Johns River at Green Cove Springs. Director Ben L. McLaughlin of the State Game and Fresh Water Fish Commission announced last week.

The announcement followed a three-hour informal meeting attended by about 100 commercial and sports fishermen and members of the Commission at Williston on July 3.

McLaughlin reported that the following regulations would apply to all seining crews, granted Commission permits, in these areas once the operation is started:

Wildlife officers in full uniform wearing sidearms must be present with each crew; each crew must be licensed (it is estimated that 30 crews will be issued permits); seining will be permitted only on weekdays during daylight hours (from 4 a. m. to 4 p. m.) and no Saturday or Sunday seining will be allowed; wildlife officers will place the boats and all equipment under lock and key at night; and each net will be required to have a flying-buoy (a buoy with a flag), while working.

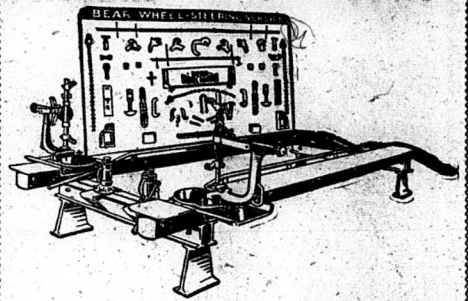

The director also made it plain to the commercial fishermen that seining permits would be cancelled permanently for those violating any of the rules and regulations he has set.

It is anticipated that a large number of predatory fish, including gars and mudfish, will be removed by these operations. All crews have been instructed to kill the predators before they are returned to the water.

Commissioners present at the meeting included Chairman Louis G. Morris, Monticello; Cecil M. Webb, Tampa; Miller V. Joiner, Jacksonville; and Dr. E. G. Peek, Ocala.

Methodist WSCS To Meet On Monday

Mrs. C. M. Todd will be hostess to members of the Margery Lair circle of the Methodist Woman's Society of Christian Service at her home Monday at 3:30 p. m. Mrs. Arch Blakey, chairman, will preside and Mrs. R. J. Schroder, program chairman, will be in charge of program arrangements.

St. Martha's Guild To Redecorate Rectory

St. Martha's Guild of the Holy Nativity Episcopal Church of Pahokee met at the home of Mrs. Sam McKinstry, Jr., Tuesday evening to make plans for redecorating the rectory. Plans were made to paint the building inside and on the exterior. Minor repairs and replacements will be made before the Rev. and Mrs. Petrie and family, the newly appointed rector and his family, arrive on August 1st. Mrs. Thomas Bregger, vice president presided.

C. M. Simonson, who spent the winter with his son and daughter-in-law, Mr. and Mrs. Robert B. Simonson and family in Pahokee, is a patient at the Veterans Hospital in Perry Point, Md.

New Athletic Coach Has Foot Ball Meet

W. A. Kendrick, new athletic coach for the Pahokee High School, conducted his first meeting with the prospective Blue Devil football team Monday evening at the High School Building. During the meeting motion pictures of outstanding college teams were shown and football activities were discussed.

On Tuesday afternoon prospective members of the backfield were put through a few plays to give the coach some idea of the kind of material at his disposal for whipping together a team.

Sgt. Randall Kemp has returned to Camp Gordon in Augusta, Ga., after visiting his parents, Mr. and Mrs. W. H. Kemp and family in Pahokee.

WE ARE IN STEP WITH THE TIMES

It is no small task to record each week the happenings of any community. We here at The Everglades News are happy that our assignments bring us face to face with hundreds of folks of our community each week. We strive to KEEP IN STEP with what is going on here in this vast agricultural area on the eastern shore of Lake Okeechobee. It gives us a great deal of pleasure to record for you weekly (and for posterity) the happenings of a growing section of Florida. Future generations will thrill when they read of the pioneering efforts of you and your loved ones in establishing a great agricultural empire.

KEEPING IN STEP with the times means that we must be on our toes day in and day out—making an earnest effort to record those things which are interesting, historical, progressive and at times amusing. All such happenings go toward making up a worthwhile and happy community where living is just a mite better than in thousands of other places in America—where your neighbor's smile is just a mite friendlier than is witnessed elsewhere in this great land of ours.

Polio Foundation Received Check To Carry On Work

A check for \$4850.00 from National Headquarters, to help provide care for local polio patients has been received by the Palm Beach County Chapter of the National Foundation for Infantile Paralysis, it was announced today by Mrs. Robert A. McClung, Chapter Chairman.

Half the money raised through the March of Dimes remains with the local chapter to help pay for the care of local patients and, in emergencies, to supplement the national epidemic aid fund. The other half is sent to national headquarters for research, professional education and emergency aid such as the check just received here.

Mrs. McClung said that record breaking polio incidence during the past three years had exhausted the treasuries of hundreds of chapters across the country and that Five Million Dollars in 1951 March of Dimes funds had been used to pay old bills even before this year's incidence had become a serious factor.

The total amount received by the local chapter, from National Headquarters, during the past five years is \$185,250.00. This money together with the local March of Dimes fund has all been used for care of patients in this county. From 1936 to 1951 the number of persons cared for was 388.

At present the Chapter is providing funds for the care, in whole

or in part, of twenty-four patients afflicted since January 1, 1951 in Palm Beach County. In addition they are underwriting the patient care costs of many hold-over cases.

Mrs. McClung assured the public that "whatever happens this year, the Local Chapter, backed by the National office, stands ready to provide the best available care for all polio patients who need assistance."

As part of the educational program sixteen thousand "Polio Pointers for 1951" were distributed to the children of the Palm Beach County Schools during the last week of the school year.

W. A. Kendrick is New Member Of Lions

A motion picture showing the erection of the United Nations Buildings at Lake Success, N. Y., was shown to members of the Pahokee Lions club Tuesday at the weekly luncheon meeting. Clyde A. Canipe presented the film.

W. A. Kendrick, the new athletic coach for the Pahokee High School was introduced as a member of the club. J. M. Elliott, was in charge of the induction ceremony.

Gil Gabaldin was awarded the prize for wearing the loudest shirt to the meeting. Next week prizes will be offered for the loudest pants worn by members. President Leonard Dobrow was in charge of the meeting, and Mrs. Dorothy Graham was pianist.

Cinematic Chatter

By Malcolm Millar

Of paramount interest to local movie goers at this time is "Talent Scout Night," which seems to have dwarfed picture interest among most of the crowd. Opening night of this yearly event at the Prince Theatre was Tuesday, July 5th. First and second winners were Melvin Hillis, cowboy imitator, and Thelma Holmes, a small miss with songs. Jasper Reed, Bobbie Schroder and Judy Coward comprised the other competing acts. Bill Bailey opened the show with some tuneful melodies on the piano. Jumping to Hollywood, Teresa Wright can be voted a lady of "firsts" and no mistakes. In her latest picture she gets 1...slapped for the first time. 2...Wears a bathing suit for the first time. 3...Wears men's jeans for the first time. 4...Wears a gun for the first time. 5...Has a love scene in a hay loft for the first time. 6...Kills her first villain and adds four more killings for good measure. The picture? Oh Yeah... "California Conquest."

Stanley Clements, who was once married to Gloria Grahame, is telling friends he will marry Maria Walek, a Polish girl who is in Los Angeles visiting relatives. Although Miss Walek was born in Poland, she lived in Belgium for six years of the war, and came to this country afterwards. She has been living in New York and is a non-professional. In 1943 Judd Holdren was a lieutenant stationed at H. Hawaii, and felt it was a tough break when he was forced to miss Francis Langford's USO entertainment stint because of patrol duty. Now, eight years later, actor Holdren is playing the romantic lead opposite Miss Langford in "Purple Heart Diaries," and in the film portrays a lieutenant stationed on an island in the Pacific. Ironie! See you at the movies -Mal.

Sub-District MYF Met At Pahokee

The Sub-district meeting of the Methodist Youth Fellowship met at the Pahokee Methodist Church Tuesday evening with the president, Miss Norma Strickland of Moore Haven in charge.

During the meeting the new ministers including the Rev. Percell and his wife of Moore Haven, the Rev. Holliday and his daughter of Belle Glade and the Rev. Adams of Clewiston.

Plans were discussed for summer camp attendance from the district. The next meeting will be in Lake Harbor and the September banquet in Belle Glade. Prior to the meeting the guests and members of the local MYF enjoyed a picnic supper and a swim party at the park. Bobby Schroder, chairman of the recreation department of the local MYF assisted Ralph Johnson, youth counselor and Mrs. Manning I. Keen with the arrangements.

Mrs. Nola B. Smith accompanied by her sister, Mrs. Kansas Todd and Mrs. Sally Shipley left Tuesday for Hendersonville, N. C. where they will spend two weeks vacationing.

Mrs. Shirley Hostess To WMU Circle

Mrs. Hoke Shirley was hostess to members of the Grace Jernigan circle of the Baptist Woman's Missionary Union at her home Tuesday evening.

Mrs. Frank Thompson, chairman, presided at the meeting and was in charge of a program on "Maintaining American Freedom." Those participating were Mrs. Thompson, Mrs. Wiley Tillis and Mrs. J. L. Humphrey. Mrs. Robert Henderson led the devotional.

The community mission project for July was distribution of magazines to needy families and for August, furnishing refreshments to the Youth Retreat which will be conducted by Mrs. Shirley at the annual Church vacation Bible school which will start on August 20th. Mrs. George Johnson and Mrs. Alec Johnson were welcomed as new members of the circle.

Summer Band School Started At Pahokee

Robert O. Lampi, bandmaster for the Pahokee High School band, who is conducting a summer band school at the High School building, reports that 42 members have enrolled in the classes for beginners and advanced pupils. There are 11 beginners starting and there will be three advanced pupils admitted to the band this fall. They are Harry Brooks Elarbee, who plays a cornet; Patsy Maurer, a saxophone and Donald Pickett, a flute.

According to Lampi there will be 45 members in the band this fall. There were 8 members lost through graduation last spring.

There are a few instruments available for beginners, Lampi

said. They are a piccolo, clarinet, French horn, sousaphone and a snare drum. Pupils may use these instruments, which belong to the band, without cost. Instruction in the summer school is also free of charge. Classes are conducted from Monday through Friday with beginners classes on Monday, Wednesday and Friday and advanced classes on Tuesday and Thursday. Hours are from 8 a. m. to 12 noon and from 1 to 5 p. m.

Mr. and Mrs. Alvin Burns and daughter of Ft. Worth, Texas accompanied by his mother, Mrs. W. H. Matthews and Mr. Matthews were the guests this week of Mrs. Matthews' brother-in-law and sister, Mr. and Mrs. H. J. Batchelor and family. They were accompanied on their return by Mrs. Matthews' mother, Mrs. Ettie Eason who will be their guests in Ft. Worth.

Mrs. N. Joseph Kahn and daughter, Marjorie are visiting her parents, Mr. and Mrs. Joe Idelson in Sarasota this week.

Christian Science Group Of Canal Point

A more spiritual worship of God through individual purity, right motives, inspired thinking, and Christian deeds will be the central theme of Christian Science services next Sunday. Subject of the Lesson-Sermon is "SACRAMENT."

"Jesus" words as recorded by John (4: 23) constitute the Golden Text: "The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth."

Bible passages include Isaiah's description of true fasting: "Is not this the fast that I have chosen? To loose the bands of wickedness to undo the heavy burdens, and to let the oppressed go free, and to break every yoke?" (Isa. 58:6)

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Our church is built on the divine Principle, Love. We can unite with this church only as we are newborn of Spirit, as we reach the Life which is Truth and the Truth which is Life by bringing forth the fruits of Love, — casting out error and healing the sick" (p. 35).

Baptist WMU Meet Last Monday

At a meeting of the Lottie Moon circle of the Baptist Woman's Missionary Union Monday at the home of Mrs. L. W. Mullis a program was presented on the theme "O, Jerusalem." Mrs. Mullis led the devotional in charge of the program. Mrs. J. E. Unwin, vice chairman, presided.

Mrs. W. H. Key is visiting relatives in Gainesville and White Sulphur Springs.

Personal

Mrs. Milton Carpenter is spending ten days in Miami where she is attending a school for laboratory technicians.

Defense is your job, too!

Reflecting brilliant factory lights like a myriad glimmering stars, these masterpieces of American industrial design are in reality plastic plane noses awaiting inspection. They will play an important part in America's preparedness program; they are the tools of the U. S. Air Force in its job of defending you.

Defense is your job, too. And one of the best ways you can carry out your part is by making your family and your country economically strong. Buy United States Defense* Bonds *now* and buy them *regularly*. Go to the pay office where you work and sign up for the Payroll Savings Plan, or join the Bond-A-Month Plan where you bank. *Do it today!*

★ ★ ★

**The U. S. Defense Bonds you buy give
you personal financial independence**

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house, or educate your children, or support you when you retire. Remember, too, that if you don't save *regularly*, you don't save at all.

So go to your company's pay office—now—and sign up for regular Defense Bond purchases through the Payroll Savings Plan. In this plan, you may save as little as \$1.25—or as much as you want—each week. If you can save just \$7.50 weekly, in ten years you'll have bonds worth \$4,329.02 cash! You'll be helping protect America—and helping your dreams come true.

*** U. S. SAVINGS BONDS
ARE DEFENSE BONDS
BUY THEM REGULARLY!**

Births

Mr. and Mrs. John Lamoureux of South Bay announce the birth of a daughter to the Everglades Memorial Hospital July 11th.

Mr. and Mrs. Robert C. McCorkle of Clewiston, announce the birth of a daughter, Kathryn Anne, July 5th.

Mr. and Mrs. Lawton Lee announce the birth of a daughter, Jennie Lou, on July 4th.

Funeral Services For Mrs. Johnson Held

Funeral services were conducted for Mrs. Missouri Johnson, 66 of Pahokee Tuesday morning at the First Baptist Church in Pahokee. The Rev. Hoke H. Shirley, pastor, was in charge of the service assisted by the Rev. James Miller.

Mrs. Johnson died Monday morning at the Good Samaritan Hospital in West Palm Beach after two days illness.

She is survived by three daughters, Mrs. Annie Lawson of Bradenton; Mrs. Allie Mae Guinette, Pinellas Park; and Mrs. Marie Funderburk, Pahokee. Four sons; C. R. Johnson, Tampa; Edgar and Kenneth Johnson, Clewiston and Olen Johnson, West Palm Beach. Two sisters, Mrs. Lila Lawson, Mayo; and Mrs. Callie Cross, Gainesville. Four brothers, M. P. Harris, Indian River; C. M. Harris, Maitland; W. B. Harris, Chiefland and J. L. Harris, Tampa, and 14 grandchildren. The body was shipped to Madison for burial with Berry's Funeral Home, Pahokee, in charge of arrangements.

Mr. and Mrs. R. J. Schroder accompanied by Mrs. George O. Schroder were the guests this week of Mr. and Mrs. James L. Huffman and daughter, Mary Lee, of Birmingham, Ala., who are spending several weeks at Ocean Shore apartments in Riviera Beach.

(NOTARY'S SEAL) Notary Public
My commission expires Jan. 3, 1954.

Bids Opened At Commission Meet

Three bids for construction of comfort stations at Phipps Park, the county ocean front recreation area in Palm Beach, were received and referred to County Engineer J. M. Boyd Monday with instruction that Boyd award the contract to the best and lowest bidder.

Commissioner Ben F. Sunday, Delray Beach, was elected to preside at the board meeting Monday in the absence of Chairman Paul Rardin. Rardin is in Milwaukee attending a national convention of county officials and vice chairman Kenneth Foster was in Washington, D. C. to follow up on procurement of lands at Jupiter to be added to the county's park system.

The three comfort station bids were: Paul D. Crickenberger, \$5,740; Milton & Jones \$7,240 and Arthur W. Cooper, Inc., \$7,320.

The commissioners also: Welcomed back Robert W. Eddy, chief sanitarian in the county health department who has just returned from the University of Michigan where he has been taking additional courses for the past year.

Approved three plats in Mulberry Park south of Lake Worth Road; Homewood, in West Palm Beach and a section of College Park, Lake Worth.

Authorized County Attorney Harry A. Johnston to cooperate with the Palm Beach town attorney and the West Palm Beach city attorney in raising some question of law concerning the Palm Beaches Sanitary Board. The commission is required to set an election on the issue, Johnston said.

Approved and filed monthly reports from the County Agricultural Department.

Pat Tuberville Wins 1st At Prince Theatre

Malcolm Millar's second edition of the 1951 Talent Scout Show was presented to a large crowd at the Prince Theatre, Tuesday night.

The show opened with two guest star acts, both from South Bay, who were enthusiastically received by the crowd. The Mitchell Twins, a diminutive pair of tap dancers captivated the crowd with their novel presentation. Lamar Lovell displayed marked talent on the harmonica with two difficult numbers. Both these acts were winners in the Belle Glade show last Thursday.

Pat Tuberville, Canal Point, easily took the first prize with his presentation of three numbers on the harmonica. His closing number "Under The Double Eagle" brought thundering applause. Ann Rita Burns came in a decisive second winner with her delightful rendition of "When Irish Eyes are Smiling."

Other clever acts on the bill were Irene Cato soloist, Val Galdin, saxophone player and Ada Lou Tillman, a charming singer. Mr. Millar invited the two winning contestants to appear as his guest stars at the Hugo Theatre, Belle Glade, Thursday night.

Patsy Maxson was pianist and Malcolm Millar master of ceremonies.

Mr. and Mrs. P. E. Collier sr. and son and daughter-in-law, Mr. and Mrs. Donald Collier will leave this week for a visit with relatives in Atlanta, Ga.

Miss Zella Jones has returned from Boston, Mass., where she received treatment at the New England Hospital.

Mr. and Mrs. J. F. Waddell and

family are spending a vacation in Georgia, North Carolina and Tennessee.

Mr. and Mrs. T. W. Jenkins who have been visiting relatives in Georgia are expected to return to their home in Pahokee this week.

City Clerk Clyde Alley and Mrs. Alley and children will spend the weekend in Tallahassee.

From where I sit ... by Joe Marsh

Might Say The Birds Got "Nettled"

Had dinner with Tik Bradley the other day, and over a frosty bottle of beer I found out about his job with the U. S. Fish and Wildlife Service.

"Now just exactly what do you do?" I asked him. "Shoot birds with a cannon" he calmly replies.

Seems they actually do use a cannon—to shoot out a net over a flock of birds feeding on the ground. The birds start to take off at the sound of the shot, but the settling net brings them back to earth. Then they're banded around the leg so more can be

learned about their migratory habits. Afterwards, they're let loose—and everyone's happy.

From where I sit, it was a good example of how when you learn the real facts they're often not as bad as they may sound at first. Like with people. Get to really know your neighbor and chances are you'll be more tolerant of his preferences—even though they're not your own. Take a good look, before you jump to conclusions.

Joe Marsh
